

Research Class Survey

Introduction

Students in a Public Relations Research class at the University of South Florida are conducting a research study for a class project about the H1N1 flu and its vaccine.

The survey will take only a few minutes of your time. You will be asked to watch a short video clip and answer questions based on the video regarding your knowledge and opinions of the H1N1 vaccination.

Your identity will be protected. We won't be asking questions that are too personal, so please share any thoughts or opinions with us, whether positive or negative.

Those who qualify for the survey will be rewarded with an entry into a drawing for a \$25 gift card to the restaurant or store of your choice. Once again, thank you for participating and please proceed with the survey.

Screening Questions

* Are you a USF student?

Yes

No

* Have you heard of H1N1/swine flu?

Yes

No

* Have you heard of the H1N1/swine flu vaccine?

Yes

No

* Have you contracted the H1N1/ swine flu virus?

Yes

No

Not sure

* Have you received the H1N1/swine flu vaccine?

Yes

No

Vaccine Likelihood

Research Class Survey

For the purposes of this study, we will refer to the virus as H1N1, instead of "swine flu."

How likely are you to get the H1N1 vaccine?

Very likely

Somewhat likely

Somewhat unlikely

Very unlikely

Birthday Month

* What month were you born?

Knowledge of H1N1

We're going to ask you about your current knowledge on the H1N1 virus. For the purposes of this study, we will refer to the virus as H1N1, instead of "swine flu."

What was the message of the video you watched? What is your opinion of the effectiveness of this video in communicating a message about H1N1?

Research Class Survey

Which of the following have you done to learn more about the H1N1 vaccine? (Check all that apply)

- Looked for information online
- Watched or read news stories
- Had a conversation with a doctor about it
- Read a pamphlet
- Had a conversation with a family member or friend about it
- Other (please specify)

To what extent do you agree or disagree with the following statements:

	Strongly Agree	Somewhat Agree	Neutral	Somewhat Disagree	Strongly Disagree
